POOL METER RULES:

1. The meter may only be used once in a calendar year for filling pools only.
2. Meter use is for 24 hours (Unless filling rate requires more time – Water Dept. approval needed).
3. Minimum of three (3) days notification required for use.
4. Customer must be on site for delivery and pick-up. If no on site, meter must be rescheduled or credit may be void.

Agreement with Rules and Readings:

 Before Signature

 After Signature
