

Thrive

The Geauga Theater has a new resident! Thrive Performing & Visual Arts has been tasked with programming and management of the Geauga Theater and the facilities at 106 Water Street. Thrive's programming at the venue will be three-fold: live music, musical theater, and classic cinema complete with beer, wine, and snacks. Thrive will generate much of the entertainment staged at the Geauga Theater, but will also host outside acts: bands, orchestras, dance companies, comedians, and more. Renovations are currently underway to restore and reinvent the historic theater and prepare it for this new, exciting chapter. Thrive will not only provide programming and management for the Geauga Theater, but also education and special events at 106 Water Street.

Thrive Performing & Visual Arts is a 501(c)3 non-profit organization that provides opportunities to individuals of all ages in the performing and visual arts and strengthens communities by creating and producing excellent live and recorded entertainment - fostering partnerships and providing educational opportunities. Thrive immerses its participants in a one-of-a-kind experience and brand. The organization enriches area cultures and economies by partnering students, community members, business owners and performing arts professionals.
