ABOUT

The **Geauga Theater** is an intimate live music, theater, comedy and entertainment venue featuring local, regional, and national performers. This Art Deco treasure, built in 1939, was formerly known as the Geauga Cinema and operated as a movie theater for nearly 60 years. Now, under the direction of Thrive Performing and Visual Arts, the Geauga Theater has new life. Nestled on Chardon's quaint, walkable Square, the Geauga Theater is an ideal destination for a fun night out.
